The Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo Is Proud To Announce the:

Early Opportunity Program in Medicine (EOPIM)

A pre-admission to the Jacobs School Medical Degree Program for qualified ‘underrepresented in medicine’ students

Eligible undergraduate students are enrolled in partner schools: University at Buffalo - SUNY Buffalo State - Canisius College D’Youville College - Tougaloo College - Niagara University

Acceptance Requirements:

- Complete undergraduate studies at home institution including any medical school coursework, prerequisites before graduation, and maintain a GPA of 3.5 or better.
- Participate in one summer research experience at UB’s CLIMB PRO program before graduation.
- Interact with your future classmates frequently through in-person and online programming and activities.
- Formally apply for admission to the medical school via traditional channels during your senior year. (i.e., AMCAS application, including MCAT score, and official transcripts).
- You will be on track to enter the Jacobs School MD program the fall semester after you graduate!

Application Timeline:

**Intent to Apply**
- October of Sophomore year: Inform Pre-health advisor about interest in EOPIM
- December 15th: Pre-health advisor inform EOPIM about applicant pool

**Application Deadline**
- February 15th: Application deadline

**Interview Process**
- March - April: In person/video interviews by the Jacobs School Admissions Committee

**Admission Decision**
- May 15th: Admissions decision
